

The background of the page is white, featuring several decorative elements consisting of multiple thin, red, curved lines that sweep across the top and bottom corners, creating a sense of motion and modern design.

# **PENTAX**

## **STOCK SV**

PRODUCT CATALOGUE  
**MAY 2024**

## INTRODUCTION

---

Welcome to the PENTAX Stock range, within this catalogue you will find all of the details of the extensive stock range available.

The catalogue is interactive and you can navigate through it by clicking the menu options and home icon.

## COATING OVERVIEW

---

### **HARD COATING**

Providing greater scratch resistance to protect the lenses.

### **Aqua Guard (HMC)**

Anti reflection coating with hard coating and water repellent treatment.

### **Innocare (HMC+)**

Anti reflection coating with increased scratch resistance water and grease repellent.

### **Innocare Blue (HMC+Blue)**

Anti-reflection coating with the benefit that blue light is also neutralised.

## SENSITY OPTIONS

---

Our photochromic options utilise the Sensity material, with stabilight technology for consistent colour change in a range of temperatures and also natural colour tones.

## DELIVERY

---

**Uncut orders placed Monday to Friday before 4pm will be delivered next day.**

**Uncut orders placed Saturday/Sunday will be delivered Tuesday.**

**Please add one day when ordering remote edged lenses.**

## Warranty and Returns

---

### Lens and Coating Warranty

PENTAX Stock lenses have a two year manufacturing guarantee, where lenses to the same prescription and product type as provided on the original order will be supplied if a manufacturing fault has been identified. The lenses will be assessed and if there are signs of patient mishandling that contributed to the damage then the lenses will be returned without replacement or credit being provided.

### Uncut Lenses Returned for Credit

Any uncut lenses returned for credit must be accompanied by the original delivery note. The lenses must be returned in the original lens packets provided and must be returned in the same condition as originally supplied. Any uncut lenses returned with writing on the packet or in an un-saleable condition cannot be credited. We reserve the right to charge a handling fee in connection to goods returned. Goods can only be returned for credit within 28 days of purchase.

### Edged Lenses

Where edge lenses have been supplied and there appears to be a sizing issue, if a HOYA tracer has been used, the lenses can be returned and following assessment, if the issue is as a result of a manufacturing problem, a resolution will be provided which may be either replacement lenses or the lenses correctly sized if the lenses were too big. These returns will only be accepted if within 14 days of the order being placed.

### Third Party Tracers

We strongly recommend the use of a HOYA supported tracer when ordering remote edge lenses, this allows us to be confident in the calibration and tracer settings. If using a 3rd party tracer then there will be no liability for any sizing issues that arise as we cannot guarantee the functionality of the tracer being used

### Returns Policy

Products will be supplied to the order data provided within the ordering system, it is the buyers responsibility to check the prescription and product details at the time of ordering to ensure the correct product is being ordered.

### Cost of returning lenses

For customers who order HOYA branded products return your PENTAX lenses in the same way as HOYA branded lenses. If the customer only purchases PENTAX products then the cost to return lenses must be met by the customer themselves.

## Terms and Conditions

---

### Price

The price of the goods shall be the price set out in the written acceptance provided by the seller, or, if no price is quoted, the price set out in the seller's price list in force as at the date of delivery.

The seller reserves the right to alter the price at any time prior to delivery. The price of the goods is exclusive of amounts in respect of value added tax (VAT).

The buyer shall, on receipt of a valid VAT invoice from the seller, pay to the seller such additional amounts in respect of VAT as are chargeable on the supply of the goods.

### Deliveries

Every effort will be made to ensure all uncut lens orders received before 4pm will be dispatched the same day, remote edge lenses will be dispatched the following day. A charge for carriage and packing will be levied on all orders where there are only PENTAX products being shipped. The seller reserves the right where special deliveries are required to pass on these costs. Unless notice is given to the contrary all packing is non returnable.

The seller shall deliver the goods to the location specified by the buyer in their order (or such other location as may be agreed in writing) at any time after the seller accepts the order.

The seller shall not be liable for any delay in delivery of the goods that is caused by:

- the buyer's failure to provide the seller with adequate delivery instructions or other instructions that are relevant to the supply of the goods; or
- a Force Majeure Event

Please refer to the full terms and conditions which are located within the HOYA branded catalogue.

The image features a solid red background with several white, curved, concentric lines that create a sense of motion and depth. The lines are of varying thickness and are arranged in a way that suggests a lens or a camera's internal structure. In the center, the word "PENTAX" is written in a bold, white, sans-serif font.
